### **Youth Ministry at Saint Anne**

Our parish youth ministry has developed as a response to youth participation in Whole Community Catechesis, the primary faith formation opportunity within the parish. It was established with the hope that our youth could meet regularly for additional formation opportunities as well as for social and outreach events. Our hope is to avoid a classroom model of formation so that youth can take ownership of the ministry.

Youth ministry at Saint Anne is open to all youth in Grades 6 and higher. The faith formation aspect of the programs is designed to flow into our Youth Confirmation process in Junior year.

Candidates for Confirmation must have completed at least one year  
of High School Faith Formation

Our youth ministry program is largely youth-planned with adults assisting as  
small group leaders and companions in social and outreach opportunities.  
Each spring the youth plan the topics and focus for the following school year.
